

**RECYCLE OFTEN.  
RECYCLE RIGHT.**

Great things happen when residents use **Recycle Often. Recycle Right**™ program.

By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus the recycled materials become new products - if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days - and the cycle continues.

- Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin - no sorting needed.
- Containers that held food should be rinsed free of food debris and liquid.
- Do not bag your recyclables – empty recycling directly into your bin or cart.

**Acceptable materials for curbside recycling include:**
