

## Dear Resident,

Waste Management is excited to continue trash and recycling services in 2022. We will continue to provide you with weekly trash service, along with every other week single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables go into one container – remember, no plastic bags. We look forward to helping your community be as clean – and green – as possible throughout 2022 and beyond.

### Collection Times:

**Your collection day will be Tuesday in 2022.** All items must be placed at the curb **no later than 6 a.m.** on the day of collection. After collection, any carts used for trash or recycling should be removed no later than the evening of your collection day.

### Missed Collections and Additional Information

Despite our best efforts, we occasionally miss scheduled collections. If we do, please call us at **(800) 866-4460** as soon as you can. Our representatives will work with you to ensure that your materials get picked up. You can also visit us at [www.wm.com](http://www.wm.com) for live chat and email options.

### Inclement Weather

Severe winter weather can be a challenge to our daily operations. During periods of inclement weather, our team will be providing customers with real time service alert updates at [www.wm.com](http://www.wm.com) - we recommend book marking this site for easy accessibility. When possible, we may also notify you by phone or email if your collection route is cancelled or will be delayed.

### Restricted Items:

The following items will not be collected as part of your regular waste and recycling collection:

- Construction/demolition materials
- Automotive parts
- Dirt, stone, concrete, rock
- Medical wastes
- Materials from fires or evictions
- Tires
- Antifreeze

Please visit the Pennsylvania Department of Environmental Protection's website at [www.dep.pa.gov](http://www.dep.pa.gov) to learn how to recycle or properly dispose of these items.

**RECYCLE OFTEN.  
RECYCLE RIGHT.™**

## 2022 Recycling Program

We are excited to announce the acceptance of plastic tubs in your curbside recycling program. Acceptable plastic tubs have a snap on lid and hold food such as yogurt, cottage cheese, cream cheese, and butter. Plastic tub lids and food must be removed before the container can be recycled.

Waste Management is asking your community to help combat recycling contamination. For programs to be successful, all participants must make an effort to practice good recycling habits

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs, jars and tubs. Any other plastic shape must go in the trash.
- Glass is no longer accepted for curbside recycling – talk to your municipality about local drop off programs.
- Containers that held food should be rinsed free of food debris and liquid.
- Shredded paper is not accepted.

**Recycling will be collected every-other-week.** Place only the acceptable recyclables shown below together in your recycling cart or bin.

### Always recycle:

Paper

Flattened Cardboard  
& Paperboard

Food & Beverage  
Cans

Plastic Bottle, Jars,  
Jugs & Tubs

**To Learn More Visit:**  
[www.wm.com/recycleright.com](http://www.wm.com/recycleright.com)

### Do NOT include in your mixed recycling cart:

**NO Food Waste**  
(Compost Instead!)

**NO Plastic Bags & Film**  
(Find a recycling site at [plasticfilmrecycling.org](http://plasticfilmrecycling.org))

**NO Foam Cups & Containers**  
(Check [Earth911.org](http://Earth911.org) for options.)

**NO Glass Bottles  
& Containers**

**NO Needles** (Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker® box.)

**NO BAGGED RECYCLABLES**

**THINK GREEN.®**
