

BELLEVUE MEMORIAL PARK TRAIL MAP

■ Easy ■ Moderate ■ Challenging

Welcome! The Bellevue Park trail is a challenging 4-mile network that is designed for mountain biking and hiking.

Always be alert for changing terrain and obstacles such as fallen trees.

This trail is maintained by volunteers. Help is always needed to keep the trails open and safe.

Contact bellevueptag@gmail.com for more information to report trail problems or to get involved.

Enjoy!

Trail difficulty level

Because the park trails are located in a valley all trails involve ascending and descending. Expect some exertion throughout.

The **GREEN** routes are the easiest paths to follow and only have moderate elevation changes. **BROWN** are more challenging and **RED** has many steep areas where caution should be used.
